

Upper Rhine Cluster for Sustainability Research

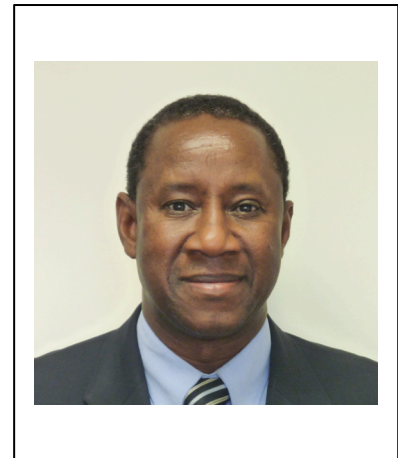

Researchers Profil

Name, Position & Affiliation

CISSE Guéladio

Head of Ecosystem Health Sciences Unit

Swiss Tropical and Public Health Institute

Expertise in relation to the topics of the URCforSR

Water quality, agriculture and health (Axis III.c)

Wastewater sustainable management and safety planning (Axis IV.a)

Health risks and vulnerabilities assessment under climate change (Axis IV.d)

Cissé G (2010) Health, sanitation, autochthony and integration: urban and rural development challenges in West Africa In: Global change and sustainable development: a synthesis of regional experiences from research partnerships. Hurni,H.; Wiesmann,U.. Bern: Geographica Bernensia, 23-32.

Butler CD, Mathieson A, Bowles DC, Ana G, Cissé G (2014) Climate change and health in Africa In: Climate change and global health. Butler,C.D.. Oxfordshire: CAB International, 218-227.

Fuhrimann S, Stalder M, Winkler MS, Niwagaba CB, Babu M, Masaba G, Kabatereine NB, Halage AA, Schneeberger PHH, Utzinger J, Cissé G (2015) Microbial and chemical contamination of water, sediment and soil in the Nakivubo wetland area in Kampala, Uganda. *Environ Monit Assess* 187, 475-. DOI: [10.1007/s10661-015-4689-x](https://doi.org/10.1007/s10661-015-4689-x)

Special Interests in the topics of the URCforSR

Reduction of environmental and social impacts

Water quality and wastewater management issues

Health emerging issues

Risks assessment under uncertainty

What you are searching for regarding the cooperation within the URCforSR

Collaboration

Mutual learning

Joint submission of applications

Joint elaboration of technical reports and scientific papers

Field visits, visits to partners in the different countries

Organisation of regional and international events
