

## Researchers Profil

### Name, Position & Affiliation

---

*Philippe Hamman*

---

Professor of Sociology  
Deputy Director of the Laboratory SAGE (Societies,  
Actors and Government in Europe, UMR 7363)  
Vice-Dean for Research, Faculty of Social Science  
Institute for Urbanism and Regional Development,  
Faculty of Social Science, University of Strasbourg

---

Expertise in relation to the topics of the URCforSR (include max. 3 related and recent publications)

Sociology of environment & sustainability; urban sociology

I have written a large number of studies on sustainability and environment-related issues, on cities and on local public policy at the regional, national, and European levels, using empirical and comparative approaches. For more details, visit <http://sage.unistra.fr/en/membres/enseignants-chercheurs/hamman-philippe/>

- *Guide des Humanités environnementales* (ed., with Aurélie Choné and Isabelle Hajek), Villeneuve d'Ascq, Presses universitaires du Septentrion, coll. « Environnement et société », 2016, 632 p.

- *Erneuerbare Energien-Systeme in Deutschland und Frankreich / Systèmes énergétiques renouvelables en France et en Allemagne* (ed., with G. Christen, M. Jehling & M. Wintz), Paris, Orizons, 2014, 330 p.

- *Sociologie urbaine et développement durable*, Brussels, De Boeck, 2012, 200 p.

### Special Interests in the topics of the URCforSR

- Governance of change (sustainability, resilience, transition...)
- Sustainable housing: from technical innovations to social acceptance
- Social acceptance of renewable energies in the Upper Rhine
- Negotiations/social transactions in urban & environmental projects (especially green/smart city, housing, mobilities...)
- Sustainable development and the strategies of regional and metropolitan areas
- Urban ecology and social issues; environmental and social vulnerabilities/inequalities
- Production and diffusion of knowledge about nature: cross-disciplinary perspectives

What you are searching for regarding the cooperation within the URCforSR

- To join an international research network
- To develop new cross-border partnerships and projects
- To strengthen medium as well as long-term projects financing (e.g. post-docs...)
