

Upper Rhine Cluster for Sustainability Research

Researchers Profil

Name, Position & Affiliation

Frank C. Krysiak

Professor Environmental Economics

University of Basel

Expertise in relation to the topics of the URCforSR (include max. 3 related and recent publications)

Frank C. Krysiak (2011), Environmental Regulation, Technological Diversity, and the Dynamics of Technological Change, *Journal of Economic Dynamics and Control* 35(4), pp. 528-544.

Frank C. Krysiak (2009), Risk Management as a Tool for Sustainability, *Journal of Business Ethics (Special Issue on Sustainable Development)* 85 (3), pp. 483-492.

Frank C. Krysiak and Daniela Krysiak (2006), Sustainability with Uncertain Future Preferences, *Environmental & Resource Economics* 33 (4), pp. 511-531.

Special Interests in the topics of the URCforSR

My special interest lies in policy designs for the transition to a sustainable economy, in particular, policy designs for transformations of the energy system.

In addition, I am working on concepts of sustainability that can cope with substantial uncertainty.

What you are searching for regarding the cooperation within the URCforSR

I am searching for partners for research projects on sustainability. As I am a theorist, I mostly interested in collaboration with empirical researchers.
