

Upper Rhine Cluster for Sustainability Research

Researchers Profil

Name, Position & Affiliation

Rimbon Jérémy

Geschäftsführer

KIT-DFIU

Expertise in relation to the topics of the URCforSR (include max. 3 related and recent publications)

Material flux analysis
Biochemical engineering
Business management
Environmental management systems

Special Interests in the topics of the URCforSR

Ecosystem services
Smart CO₂ transformation
Environmental management systems

What you are searching for regarding the cooperation within the URCforSR

Multi-agent based modelling of interactions between ecosystem services and social dynamics.
The integration of smart CO₂ transformation technologies
